River of Grass Weekly Update – May 16, 2024

What Doesn't Kill Ya: Peril Behind, Possibility Ahead

What does not destroy me, makes me stronger.
If we have our own why in life
we shall get along with almost any how.

- Friedrich Nietzsche

History is brimful with times of peril followed close on by space for new possibility – and populated with people ready to take up the charge with renewed strength, determination, and ingenuity. And this is our history now – shared with those who lived to tell of their own perilous passages, and with those to come who will look back at us from their own new thresholds of history to come.

And what makes us able to come through our own perils to arrive at new possibilities?
We hold fast to our why, however volatile and challenging the how.

Come as you are at 10:30 this Sunday morning – either in person at our new location in Davie (info below) or virtually on Zoom and Facebook Live. Come a bit before and we can chat prior to the service. We'll be watching for you!

May 17 is International Day Against Homophobia, Transphobia, and Biphobia

The main purpose of the May 17 mobilizations is to raise awareness of violence, discrimination, and repression of LGBT communities worldwide.

Deeply-embedded homophobic and transphobic attitudes and social norms leave many lesbian, gay, bisexual, transgender, queer and intersex (LGBTQI+) people extremely vulnerable to discrimination. Far too often, LGBTQI+ people are singled out for hate-motivated violence, or even murdered. Many are mistreated and even disowned by their own families. This has led to LGBTQI+ people, of all ages and around the world, being among those left furthest behind as countries pursue the Global Goals.

Hard-won advances for lesbian, gay, bisexual, transgender, queer and intersex communities are increasingly under threat. Discriminatory laws, norms and practices are denying LGBTQIA+ people their autonomy, their access to health care, their reproductive rights and choices.

"Around the world, 67 countries still criminalize same-sex relations, with 10 imposing the **death penalty**." UN Secretary-General António Guterres.

Unitarian Universalist Association Common Read 2023-24: *On Repentance and Repair* by Rabbi Danya Rutenberg

When we do a UU Common Read together, we share in reflection, learning, and action. A UU Common Read can take us on a powerful journey into what it means to be human and accountable in a world filled with both pain and joy. Karen and Gary Gonzalez will lead us through a **3-session discussion on May 29th, Jun 5th, and Jun 9th from 7:00 – 9:00 pm** at River of Grass ([11850 W State Road 84 Ste A9, Davie, FL](#)). RSVP to ReligiousEducator@RiverofGrassUU.org.

You can purchase *On Repentance and Repair* by Rabbi Danya Rutenberg from [InSpirit, the UUA Book and Gift Shop](#). An audiobook, narrated by Shelly Sheckell, is available from [Libro.FM](#) and other sources.

This Common Read offers a glimpse into one of our faith's foundational sources, Judaism. Readers explore the call to accountability in our personal and public lives as we follow Rabbi Rutenberg into a framework for making amends offered by the 12th-century Jewish physician and scholar, Maimonides.

On Repentance and Repair invites readers of any faith to explore practices for accountability that can bring us into wholeness and make a difference in our personal, our community, and our national relationships.
